

# Medication Permit Form

Only emergency medicine may be given at school. If it is necessary for the student to have medication in order to remain in school, his physician and parent are requested to complete the form below and return it to school. The student should only bring the amount of medicine needed for one week. All medication should be given by the parent outside of school if at all possible. In accordance with Code 21.914, Acts 1977, 65th Legislature, of the Texas Education Code, prescription medication, when administered at school, must be in the original container and be properly labeled.

## Physician's Request For Administration Of Medication During School Hours
